

The image shows a blank PCB layout grid. The grid is defined by a coordinate system with columns labeled 1 through 6 and rows labeled A through D. A yellow rectangular area in the top right corner contains a detailed circuit diagram. The diagram includes various electronic components such as resistors (e.g., 180k, 10k, 50k, 100n, 10k), capacitors (e.g., 100n, 10k), and integrated circuits (e.g., 180k, 10k, 50k, 100n, 10k). A title block is located in the bottom right corner of the grid.
